3. Tuition fees for each month are due and payable in advance, no later than the 1st working day of each month. Interest on advance payments will be kept by the school.
4. A R250 late payment charge will be levied for payments received after the 1st working day of each month.
5. Should we/I not pay our/my account timeously, and the School, in their sole discretion, decides to hand our/my account to their attorneys for collection, we/I will be liable for collection commission and attorney and client costs thereon. We/I will be held liable for legal fees, should they be incurred by the school in respect of our/my non-compliance with the above conditions of entry.
6. If the pupil is accepted, a routine probation of two terms applies. Thereafter a minimum one term written notice of withdrawal, preferably longer if possible, must be given to the Administration office if the parent wishes to terminate this contract for any reason and withdraw the pupil prior to the final exit examination. If such notice is not given, a full term (3 months) fees, at the rate applicable in which the pupil would have been, shall be paid in lieu thereof. Likewise, if the school elects for any reason to terminate this contract, it may do so, on giving the parent a term's (3 months) written notice of its decision to terminate the contract, at which time the parent must withdraw the pupil.
7. At the end of Primary School two terms written notice is required.
8. The Primary/High School Faculty and College of Teachers may require a parent to withdraw a pupil with immediate effect in cases of probation/trial, serious or repeated misconduct or where it is in the interest of the school or pupil or both.
9. Class promotion is not automatic. Admission from Primary to High School is subject to a High School interview, a term's probation and payment of the balance applicable for the High school deposit.
10. We are aware that the school will constantly endeavour to take such steps as may be reasonably required in the circumstances, to do what it can to keep the pupil out of harm and free from loss, taking into account what can be reasonably foreseen and provided for in each case. Subject to this, both parents jointly and severally waive their own claims and indemnify the school, its employees and service providers (for whom it may be found to be vicariously liable) against any claim of the pupil in respect of the event in question.
11. The school holds normal accident insurance, covering certain accidents and injuries sustained on the school premises, to a limit of R10000 per child, per incident, less R500 excess, for which the parents would be liable.
12. A CEMIS Transfer Certificate/letter is required from the previous school, prior to entry, together with all acceptance documents and deposit. Failure to comply will result in the pupil having a maximum 2 day visiting status, as registration is not possible without these documents.
13. Non-South African students from Kindergarten upwards require either a valid Study Visa in their passport in the name of our school, or a copy of a Permanent Residence Permit in the name of the student, with passport and birth certificate, prior to commencement.
14. South African students require S.A. ID document after 16 years of age, for NSC registration.
15. No purported termination or variation of this agreement shall be of any force and effect unless reduced to writing and signed by both parties.

We/I agree that our/my child's admission would be subject to the contractual conditions which appear in the Parent Contract of Enrolment, and any other such conditions which may set by the School. Where both parents sign, our liability is joint and several, the one paying, the other to be absolved. Our/my signature/s below confirm having read and understood all contents and completed all requirements contained herein, and our/my agreement to all terms and conditions.
